

## IQAC ACTION PLAN 2018-19

S. no	Plan of Action	Outcome /Achievements
1	Meeting with IQAC members on quality enhancement in teaching	
2	To ensure transparency and credibility in the process of students' evaluation	
3	To develop a comprehensive system of student mentoring and student support	
4	Improvement of results of the students by maintaining the continuous assessment through faculty diary and mentorship diary- identify the issues & measures to be taken	Remedial Classes will be conducted
5	Collecting feedback responses from students, parents and other stakeholders on quality-related institutional processes and measures can be taken on feedback analysis.	Remedial Classes will be conducted
6	To lay more stress on practical training, field study, seminars and research assignments. This is necessary to inculcate deep understanding of the subject and to promote creativity in the work.	By the end of the academic year, most of the syllabi of different courses have been revised. Our faculty (through Board of studies) actively participated in bringing amendments for laying more stresses on practical training, seminars, field studies and research assignments
7	To arrange seminars/workshops on various topics by eminent academicians and have their interactive sessions with the students and the faculty.	The college has arranged seminars/workshops by eminent academicians for imparting current and in-depth knowledge of the subjects.
8	To update library facilities so that the students have calm and quiet surroundings and ready access to the information they seek for.	
9	To provide computer and internet access to the students.	The college has a fully developed Centralized computer lab. (26 systems) with internet facility.

10	To provide assistance to students for choosing the right career and help them out for job placements	Effective Career Guidance and Placement Cells are working in the College to keep the students abreast with various career/placement opportunities.
