

### **Institutional Distinctiveness**

The encouragement and the motivation done to students for their maximum involve in all the activities of the college imbibe in them a unique personality. This helped the students in coping up with the challenges faced by them in day to day activities.

This has paved way to attain self inflicted responsibility. It has resulted in the increased academic performance evident from the university level ranks and university blues bagged by the institution with this distinctive performance, the institute and its students have wide acceptance at various levels of recognition in the entire University.
